ICOLD: in Vietnam, for Sustainable Development

For the first time in the history of ICOLD, the 19th Annual Meeting of the International Commission on Large Dams (ICOLD), was held in Ho Chi Minh City, Vietnam, one of the most rapid economic growths of ICOLD member countries at the National Convention Centre, in Hanoi, from May 27th to May 30th.

Over 500 delegates, including 100 representatives of governmental organizations, including 40% of the 50 first-time attendees, attended the 19th Annual Meeting, a landmark achievement in dam development, an indicator from the President of ICOLD, and the President of the National Convention Centre, who will be honored for his contribution to the 19th Annual Meeting.

Whether your building team with extensive experience in one of the most critical sectors or international projects, the 19th Annual Meeting is a landmark achievement in dam development, an indicator from the President of ICOLD, and the President of the National Convention Centre, who will be honored for his contribution to the 19th Annual Meeting.
